CATCHING THE CURVE BALL

People that are successful know how to visualize

Visualize

Visualize

Visualize

= success

“The only true
disability is a
BAD ATTITUDE!”

Self-belief

**Never wimp out of an opportunity
again**

**“If you always do what you always did,
then you’ll always be what you always were,
and you’ll always get what you always got!”**

Courage

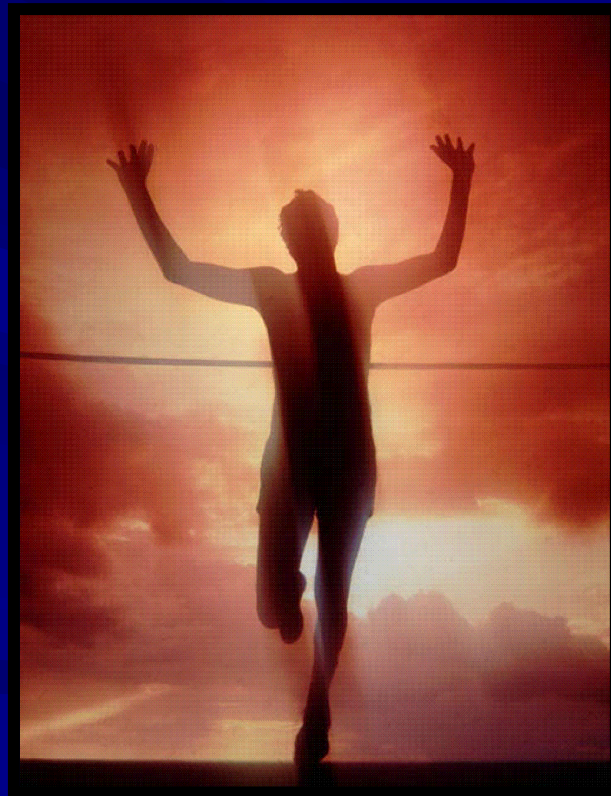

Feel the fear and do it anyway

The 3 things that got me through!

- What do I have to be grateful for?
- Who do I love and who loves me?
- What more could I do to make my life better?

I am an outstanding person
and I deserve success
